December 2007

Well another year has gone by, and what a year it has been, full of ups and downs, but the joy in the faces at Christmas is something special.

The Vic Family Get Together was held in great weather, unfortunately due to illness, not all families could make it. But it was great catching up.

Remember to keep an eye on the website for when a get together is happening in your area.

There are still limited numbers available for the Aussie Nationwide Family Day being put together by Janelle for the weekend retreat. Numbers need to be finalised so Janelle can organize funding to ensure there is minimal, if any, cost to families.

PEN PALS

With our membership ever increasing, the ability for parents / carers to keep in touch (and bounce ideas and problems) has been fantastic.

That same opportunity exists for both KS Kids and their siblings to either talk to someone who knows the trials and tribulations they are going through, or just to have a friend to write to, in a different state or country.

Already we have one of our Aussie KS boys (or should I say young man) with a KS pen-pal in England, and two of our KS siblings chatting between Vic & S.A.

Simply use the contacts page to get in touch with someone, and from there the sky's the limit.
